Dear Supporters,

Thank you for supporting us in 2023. It was a great year! We distributed more basic needs than we ever have. This year was very challenging for both families, and the Diaper Bank, because the need increased and we had to work hard to make sure we helped as many families as possible. According to National Diaper Bank Network's Diaper Check 2023, we learned that 1 in 2 families nationally are struggling to keep their babies clean, healthy and dry. Not only has diaper need increased but period products and incontinence supplies were also requested more this year.

The work we have done, and are doing, we cannot do alone. Our partner agencies help us get the diapers, period products and incontinence supplies into the hands of families that need them the most. You all believed in our mission and supported us as we helped these families. We thank you so much! Every dollar donated, every pack of diapers, period product and incontinence supply helps our mission. The generosity you have shown us this year and all the years past is appreciated. I believe it takes a village to raise a child, and with your support I know we have that village in our community. I am a firm believer that if you help others you will be blessed.

Next year is going to be an amazing year of growth as we continue raising awareness and advocating for basic needs to help close the gap by helping families to succeed and thrive. We hope that you will be there with us volunteering your time, donating dollars, hosting diaper drives and supporting our events. If we all do a little, a lot will get done.

Everyone deserves basic needs!

Community Impact

Global Links Drive Thru Distribution

We partnered with Global Links to bring two drive thru diaper distributions in McKeesport to hand out **193,912** diapers to **1,201** families.

Period Advocacy Project

In our third year of the Period Project, we partnered with Ruth's Way, MAYA Organization, and McKees Rocks Family Center to host the class. Enabling teens and healthcare workers to learn more about period poverty and advocacy.

Best Books & Diaper Distribution

For the fourth year in a row, we partnered with Carnegie Library of Pittsburgh and Best Books for Babies, handing out **54,494** diapers and 205 book bundles to Hill District families.

Pitt Period Distribution

We partnered with the University of Pittsburgh to provide first year students a three month supply of period products and reusable period product options.

"Without services like yours things would definitely be difficult."

-Shavon, Client

"Maybe I wouldn't be able to change her diapers as frequently. I would have to use whatever I could."

-Paris, Client

Incontinence Supplies

Helped supplement incontinence supplies for **23** seniors at Legacy Senior apartments.

Hill District Sprinkle

We hosted our first Hill District Sprinkle with support from UPMC Magee-Womens Hospital, McCauley Ministries, and POISE's Black Equity Coalition. We wanted to support the Hill District as it is one neighborhood that experiences the most need. This event helped over **300 families** in the Hill District learn more about different organizations and vendors to help them through their pregnancy and/or with services for their children. We also handed out **41,313 diapers** to families that pre-registered for the event.
