

HOW TO HOST A DIAPER DRIVE

1. Choose a Location

Pick a location that is centrally located in the community like a local library or business. Be sure the location is monitored and diapers are stored securely.

2. Set a Start and End Date

Diaper drives can last for a week or a month. We are actively recruiting organizations and companies to host drives.

3. Let us Know your Details

Email your drive details to info@wpadiaperbank.org. or fill out the [inquiry form](#). Let us know if you are posting anything on Facebook so we can help promote your event.

4. Set Goals

Count the NUMBER of diapers a package contains (listed on box), not just the number of boxes. Provide the total when you deliver diapers to the Diaper Bank using [this form](#).

5. Spread the Word

- Announce your diaper drive via social media, your website, newsletters, and post notices within the community. A link to the flyer template is on the Diaper Drive page, or email us to send you one. We request that you only use our materials to promote the event.
- Donations in lieu of diapers are welcome! We can purchase diapers in bulk at cost so monetary donations are a great way to support the drive. This information is in the QR code on the flyer.
- Diaper sizes 4, 5 and 6; pull-ups; and wipes are the items most needed.

6. Drop off the Diapers

Call 412-506-0436 to coordinate a drop off time. Generally, the hours are Monday-Friday 9:00am-3:00pm at 201 North Braddock Avenue, Pittsburgh, PA 15208.

7. Follow up

Contact us to let us know how the drive went. Send photos and the total number of diapers to info@wpadiaperbank.org so we can properly acknowledge your group and share on our social media.
